**Subject:** RE: TPC South 4 Fire Response

My comments:

During the response, TPC inquired about cost recovery with Adam Adams, lead OSC. Adams gave them a rough figure of \$1,000,000.00 as a starting place. Based on that, TPC worked up a purchase order for the \$1 Million. A bill will need to be drafted when accounting backup is available.

Also, I would recommend contacting TPC to make sure they are aware of EPA's timing.

Bryant
